Thursday
April 27, 2017

LOCATION:
Technology Wire & Cable
2302 Town Street
Pensacola, FL 32505
(850) 429-0039

TIME:
3pm - 6pm

The Optiview Tour Bus is coming back to town!

Miss the Bus last time? The Optiview Tour Bus is coming back with exciting new equipment for you to experience yourself. Step aboard our mobile show room and experience first hand the power of 4 Megapixel HD-over-Coax, 4K recording and more. The Optiview Tour Bus is equipped with the latest HD surveillance products on the market.

Product Demonstration SEE IT IN ACTION

- Compare Analog to HD On-Site
- Handle New Products
- Get Questions Answered
- Secure Weatherproof NEMA3/NEMA4 Enclosures

Ask our Sales Director your product questions and try to stump him.

Enjoy free refreshments and kick back in our theater seating while we demonstrate the differences between Analog, IP and HD surveillance technologies. View live & interactive Analog vs. HD-over-Coax comparisons!

Learn more about Optiview on our website at www.optiviewusa.com or our Facebook page @OptiviewUSA.

Ask your Technology Wire & Cable Supply sales rep for more information.
